Roy Needs Help

I already told you about Roy’s plan to bring his garden railway back into use and asking for volunteers to help bring it up to scratch. I am grateful to a number of members who offered help with his project. Unfortunately I have not been able to contact Roy this week to fix a date. Once I have managed to talk to Roy and fix a date I will send out an email confirming the date and arrangements. Naturally I won’t publish Roy’s address in an open email, once a member has confirmed they can help on the agreed date I will confirm his address via a personal email.

**Wags Wharf at Pitstone Museum**

Apart from Wags Wharf, there are plenty of other exhibits of interest to see whether a railway enthusiast or not. There are many interesting items that show the developments that have changed how we do things around the Home, Farming, Technology and Engineering, things we take for granted today.

Take a look at their web site at <http://www.pitstonemuseum.co.uk/>
